***Re: United States v. Michael Dolphin, et al., 11 Cr. 005***

Dear Judge Townes:

As requested, I write to inform the Court that Mr. Dolphin joins in his co-defendant Mr. Wehnert's motion to dismiss the indictment based on irregularities in the special grand jury. He also joins in Mr. Vernace's motions Points Six through Ten requesting that the government be compelled to (1) provide a witness list; (2) preserve all law enforcement notes of witness interviews; (3) notify the defendants of what it seeks to introduce as enterprise evidence and/or pursuant to Federal Rules of Evidence 404(b); (4) provide a list of recordings and other exhibits it intends to offer at trial; and (5) produce the witnesses requested and permit them to be interviewed by the defense.

Respectfully submitted,  
/s/
